Editorial

The monsoon issue of the journal has been published for the readers amidst the natural showers. The natural greenery around us has blessed us with a new strength to work for the academic sharing of knowledge in the form of the present issue of the journal.

This issue includes ten articles and research papers. They are focused on the issues like Emotional Intelligence, Educational Aspirations of the Girl Child, place of Women in Media, Practice Teaching in Teacher Education, Power Point presentation, Economics Education, Better life and Value Education. It covers a variety of areas in education and allied disciplines. All the areas covered in this issue are related to the important socio-educational issues and researchers in these areas will be certainly benefitted by the contents in this issue.

We welcome the new members in the advisory body and editorial committee of SPIJE. We hope that the quality of the journal will certainly become better and best with a good team effort. We are grateful to all the members of the advisory body, the members of the editorial committee, authors and the Seema Press who helped us to bring out the July 2012 issue of SPIJE in this form. Views of readers are always invited for improvement of the forthcoming issues. They can always communicate their views, critical comments and suggestions to us for further improvement. They are also invited to contribute their articles, research papers and book reviews for wider dissemination through the print and electronic form of forthcoming issues of SPIJE.
